Following an approved Motorsport UK test where the fuel is found to be eligible the Driver may be refunded his/her fee by the Club and the Race results declared accordingly. (c). Following an approved Motorsport UK test where the fuel is found to be ineligible the Driver will be DSQ. from the results and his/her conduct reported by the Motorsport UK for consideration by a disciplinary Tribunal. (d). Any further costs regarding fuel testing will be passed to the competitor,
27	Post Race Scrutineering will take place after timed practice, heats and finals and all results are deemed provisional until all karts are released by the Chief Scrutineer, or any person designated to do so in his absence, and/or after completion of any Judicial or Technical procedures, including the testing of fuel, checking of engines and tyres which may take several days. After timed practice or any race all drivers must go to the Parc Ferme area as per NCR Ch.18 App 5 Art 4.1 & 4.2. Any driver and kart directed or requested by an official to go into the weighing/scrutineering area, should not leave this area without the specific permission or instruction of the Chief Scrutineer, or any person designated to do so in his absence. In the case of drivers under 18 years of age, we would suggest the entrant satisfy himself or herself that this permission has been given. The minimum penalty for any driver or kart leaving this area without permission will be exclusion from the race/timed qualifying. No person or persons, other than the driver may enter the weighing/scrutineering area, until instructed to do so by a scrutineer. Failure to comply could result in judicial action being taken against their driver. Engines or chassis may be sealed at any time, and you may be requested to fit special nuts to your equipment for this purpose. This does not preclude the Scrutineer's right to fully dismantle the engine or components if required. Any time during the meeting you may be requested by the Eligibility Scrutineer to remove any component from your engine or kart, which will be sealed and held by the scrutineer, and replace it with a standard homologated unit, that will be given to you by the scrutineer, for use for the remainder of the meeting. The said unit is to be returned in good working order at the finish of the meeting, when your unit will be returned, unless it is impounded by the scrutineer for testing.
28	Any person found in breach of any of the above regulations may be subject to the Motorsport UK judicial procedures and/or the disciplinary procedures of Fulbeck Kart Club Limited.
29	Cameras. NCR Ch.18 App.8 applies. Cameras must be attached securely to the kart and be approved by the Chief Scrutineer and Event Organiser. The weight of the camera (excluding any additional Casings, mounting and associated fixing) must not exceed 100gms.
